

UNITED STATES DISTRICT COURT
WESTERN DISTRICT OF WASHINGTON
AT SEATTLE

JOSEPH LOCHUCH EWALAN,

CASE NO. C20-5678JLR

Plaintiff,

ORDER

V.

ROBERT SCHREIBER, et al.,

Defendants.

15 On April 5, 2024, *pro se* Plaintiff Joseph Lochuch Ewalan filed (1) a motion for an
16 order requiring the Washington State Department of Corrections (“DOC”) to provide Mr.
17 Ewalan with a projector and other equipment to use during trial (Mot. (Dkt. # 242)), and
18 (2) a request to subpoena Mr. Ewalan’s treating physician, Dr. Joseph T. Ho, to testify at
19 trial (Prop. Subpoena (Dkt. # 243); *see also* 3/27/24 Order (Dkt. # 223) at 3 (directing
20 issuance and service of Mr. Ewalan’s proposed subpoenas); Return of Serv. (Dkt. # 237)
21 at 3 (U.S. Marshals Service returning unexecuted subpoena because Dr. Ho is no longer
22 employed at the address provided by Mr. Ewalan)). The court ORDERS as follows:

1 1. Mr. Ewalan's motion regarding a projector (Dkt. # 242) is DENIED, as the
2 court lacks authority to enter the order that Mr. Ewalan requests. Nevertheless, Mr.
3 Ewalan is advised that the courtroom contains multiple screens through which the court,
4 the lawyers, the parties, and the jury can view exhibits. The courtroom will also be
5 equipped with cameras so that Mr. Ewalan can both see and be seen inside the courtroom.
6 The court is diligently working internally and with DOC to ensure that trial proceeds
7 smoothly and fairly in a hybrid format.

8 2. The deadline to subpoena witnesses has passed (*see* 3/22/24 Order (Dkt.
9 # 213) at 3 (extending the deadline to April 1, 2024)), and the court previously warned
10 Mr. Ewalan that it would "not grant further extensions of this deadline" (*id.* at 4).
11 Accordingly, the court will not facilitate Mr. Ewalan's proposed subpoena to Dr. Ho.
12 Mr. Ewalan may continue his attempts to establish contact with Dr. Ho by means other
13 than subpoena.

14 Dated this 9th day of April, 2022.
